Irish Pony Club - Wicklow Hunt Branch - Spring League 2018 Points

To qualify for the Spring League a rider must jump at the Final and either Sunday 11th February or Sunday 25th February. Your league total will be your points at the final together with the better of the other 2 days. A rider can only be placed in ONE of the leagues so if you are entering more than one class or jumping more than one pony YOU MUST DECLARE ONE PONY IN ONE LEAGUE BEFORE you jump in ANY class at the Final. You will be asked at entry if you want to declare for one of the leagues and your entry cannot be accepted until you have decided. A pony can only be declared once for a class so riders sharing a pony should declare for seperate classes. If a pony is being shared by riders in the same class the declared rider MUST jump first. In the interest of the welfare of the animals only 3 entries will be accepted for a horse or pony on any day. A rider may enter more than one class and be placed on the day but if members are using a smaller class to warm up could they please go HC so that younger competitors have a chance to be placed and get some ribbons.
